OFFICE OF GENERAL
COUNSEL

To: General Counsel's Office,

Re: **MUR7106** Patty Ellison-Brown

I Patty Ellison-Brown would like to dismiss any claims of untrue statements of receiving any funds, donations etc....from RE: C00589101 Chappelle-Nadal for Congress. I have not received or have I ever asked for any donations from Chappelle-Nadal at any given time. Upon receiving this information I was unaware of any posting from Chappelle-Nadal with my picture and name. I did not give permission to The Chappelle-Nadal campaign to use my information on any literature or campaign information pertaining to her election in August 2016.

I am also asking that any information showing funds received from Chappelle-Nadal will be presented to me for review. I ran unopposed for the August 2016 campaign therefore; I was not in need to solicit outside of the normal contributions received.

I Patty Ellison-Brown have never supported Chappelle-Nadal. Also, never have I communicated with Chappelle-Nadal campaign for her support in anyway.

I have attached a copy of our sample ballot for the August 2 election. My Ward did not even endorse Chappelle-Nadal therefore; there was no need for her support to me.

I will state under oath that I Patty Ellison-Brown have never received any donations, contributions etc....of any type from Chappelle-Nadal at any given time.
